

**TOWNSHIP FIRE DEPARTMENT
CHAPTER 1: ADMINISTRATIVE OPERATIONS**

Part 2: Administrative Policies

Subject: Resolution 96-1-2

Page 1 of 1

Effective Date: 01-01-96

Section: 1-2-17

Revised Date: 09-21-03

The Board of Directors of Township Fire Department, Inc., hereby adopts the following rate schedule effective January 1, 1996.

Whenever Township Fire Department, Inc. is entitled to reimbursement for services it renders in emergency calls of any type, the following rate schedule shall apply:

<u>TFD Service</u>	<u>Rate per hour</u>
1st 2 trucks	\$ 650.00
Add. hr. rate for 1st 2 trucks	\$ 175.00
Add. truck	\$ 175.00

Minimum charge for vehicles will be 1 hour.

No extra labor charge will be made for firefighters.

Materials or supplied used or damaged equipment will be charged at replacement costs. All other expenses will be charged at actual costs.

Trucks that are dispatched but are in a staging area will be billed at one-half of the above prices.

The above rate schedule shall be used for reimbursement of services rendered, and if Township Fire Department, Inc., is entitled to reimbursement or damages from any party for actual costs or damages above and beyond the services it renders, Township Fire Department, Inc. shall seek those damages.
