Subject: Feeding of Personnel

Page 1 of 1

Section: 2-6-4

Effective Date: 07-01-95

Revised Date:

- 4.01 Goal. Provide for the nutritional needs of department personnel.
- 4.02 Policy. When emergency operations extend over a period of time which will cause members to miss normally scheduled meals, the provision of food and drink should be considered. The underlying consideration must be the need to maintain the efficiency of members working at the emergency.
- 4.03 Determining Food and Drink Needed:

Allow at least one (1) hour for preparation and delivery to the scene.
