Welcome to TRAIN Wisconsin 3.0

TRAIN 3.0 contains all the content of the previous version however, it includes many new features and powerful capabilities. Login and password information has remained the same. All course certificates and transcript information from the previous version is still accessible in TRAIN 3.0

Create an Account and Login

If this is your first visit, click "Create an Account" on the left menu to register for TRAIN and start learning today!

Important – you must select to receive emails from TRAIN

In order to receive email notifications regarding your account, password resets, courses, and other notices, check the box next to "I would like to allow TRAIN Wisconsin to send me notifications via email" within the "Account" section of "Your Profile". You can access your profile by clicking on your name in the top right corner once you are logged in. Confirm your email address when prompted by the system.

Please do not create duplicate accounts

If you are having problems resetting your password please contact the help desk at: DHSWiTrain@wisconsin.gov

3. Fill in all information needed in the "Create Account" pop up window. (you may need to click on allow pop up from this site window)

Create Account

Create Login Name

The login name must be unique with any characters except spaces and a minimum of four characters.

Create a Password

Password must be at least 6 characters in length and contain at least one lower case letter, one capital letter, and one number.
